**** This is a conditional unit price bid item. It is possible that none, some, all or more of the estimated quantity provided on the Schedule of Bid Prices will be used. No adjustment in unit price will be made, and Articles 6.08B & C of General Conditions Section 00 72 00 do not apply regardless of actual quantities encountered. At time of Bid, Conditional Bid Items cannot be used to fulfill CMD LBE subcontracting requirements for this Contract as stated in Section 00 62 20. Refer to Section 00 49 01 for details as to what may be used for meeting the LBE subcontracting requirements.**

Bidder acknowledges the City does not guarantee any quantities and that the Parties will establish the final payment amount be based on the actual quantities determined as provided in the Contract Documents.

The City reserves the right after opening Bids, at its sole and unfettered discretion, to reject any or all Bids, or to waive any minor irregularity in a Bid. In case of discrepancy between the sum of Bid item amounts and the Total Bid Price (“Base Bid”), the sum of said amounts shall prevail. In the case of discrepancy between words and figures, the words shall prevail. In case of discrepancy between a unit price Bid and extension thereof (in column “Amount”), including a blank Amount, the unit price shall prevail. The City requires Bidders to fill in a unit price for all unit price items; if a Bidder intends to bid \$0 for a unit price item, state the unit price of “0” and do not leave a blank. Likewise, do not leave a blank for lump sum bid items. The City will not interpret a blank as \$0. The City may determine a bid with a required price left blank to be non-responsive.

The Contractor shall complete all Work within the number of calendar days specified in Section 00 73 02, beginning with and including the official date of Notice to Proceed as established by the General Manager, San Francisco Public Utilities Commission.
