MAKE CORRECTIONS NOTED
REJECTED
REVISE AND RESUBMIT
SUBMIT SPECIFIED ITEM(S)

Review is only for general conformance with the design concept of the project and general compliance with the requirements of the contract documents. Any action shown is subject to the requirements of the plans and specifications. Contractor's responsibilities include, but are not limited to actual dimensions which shall be confirmed and correlated at the job site, preferred fabrication processes and techniques of construction; coordination of the contractor's work with that of all other trades; and the satisfactory performance of the contractor's work.

Sustainable Streets Division
San Francisco Municipal Transportation Agency
City and County of San Francisco

S. Wong/S. Chan 5/3/2023

The Contractor is recommended and should complete the work during the time period when the Muni Metro L-Taraval Line is operating under bus substitution with trains not in operation. Contractor to coordinate with L-Taraval Improvement Project and apply for a Special Traffic Permit.
