

SECTION 00 31 00

AVAILABLE PROJECT INFORMATION

1.01 SUMMARY

- A. This Section describes Available Project Information and the use of data resulting from the various investigations or from available information, including existing geotechnical data and soils engineering reports, as-builts, hazardous materials survey reports, underground facilities plans, and environmental assessment information.

1.02 EXISTING SITE AND BUILDING CONSTRUCTION DOCUMENTS

- A. Bidders' attention is directed to construction or record drawings for the original construction and subsequent alterations that were utilized in the preparation of the Contract Documents as listed in Section 00 01 15.
- B. Copies of the above referenced documents are available for inspection by prospective Bidders at the SFPUC Contract Administration Bureau from the point of contact identified in Section 00 01 03.

1.03 UTILITY OCCUPANCY PLANS

- A. Bidders' attention is directed to utility occupancy plans that were utilized in the preparation of the Contract Documents as listed in Section 00 01 15.
- B. Utility occupancy plans show existing or proposed utility locations which data have been compiled from information furnished by the various utilities.
- C. Copies of the above referenced documents are available for inspection by prospective Bidders at the SFPUC Contract Administration Bureau from the point of contact identified in Section 00 01 03.

1.04 UTILITY CONTRACT DRAWINGS

- A. Bidders' attention is directed to Utility Contract Drawings provided by non-governmental utility companies showing Utility Crossing and cost estimates for support, work around, and protection thereof as listed in Section 00 01 15.
- B. Refer to Section 00 73 21 – Utility Crossing Specifications, Section U1. Support, Work Around, and Protect Existing Utility Company Facilities – General Specifications for additional information regarding Utility Contract Drawings.
- C. Copies of the above referenced documents are available for inspection by prospective Bidders at the SFPUC Contract Administration Bureau from the point of contact identified in Section 00 01 03.

1.05 USE OF AVAILABLE PROJECT INFORMATION

- A. The foregoing Available Project Information is not part of the Contract Documents unless otherwise specified. The City does not warrant the completeness of the Available Project Information.
- B. The City makes no representation, either express or implied, that the conditions indicated in the drawings or records are representative of those existing at the Site, or that different conditions may not occur or materials other than or in proportions different from those indicated may not be encountered. Refer to Article 3.04 of General Conditions (Section 00 72 00).

1.06 PRE-BID VISIT TO WORK SITE

- A. Prior to bidding, Bidders may make their own investigations to satisfy themselves as to actual Site conditions, but such investigations shall be performed only under the provisions of Section 00 21 13.
